Chairman of the Board
Gary McConnell

President
Arthur Pickoff, MD

Dear Friends of Heart:

We sincerely thank you for your generous donation and support you have given on behalf of the American Heart Association.

Immediate Past Chairman
David Miller

The \$100.00 donated on 5/16/2007 will play a vital role in supporting the American Heart Association in our efforts to fight heart disease, the leading cause of death in America. Today, cardiovascular disease still accounts for nearly one out of every two deaths in our community.

Immediate Past President
James Hodsdon, MD

It is because of people like you who are helping us that we will win the fight against heart disease and stroke. By funding critical research and education programs that continue to yield new life-saving prevention strategies and medical therapies, you are making a critical difference. If you would like to serve your community with any of these many programs or need more information, call **1-800-AHA-USA1** or visit www.americanheart.org.

Treasurer
H. Patrick Mahanes

The American Heart Association considers your gift a precious resource and we assure you that it will be carefully and efficiently used to maximize our efforts in the community.

This letter is a receipt for your donation, which is fully tax deductible in that no goods or services were exchanged for it.

Do you know if your contribution could be matched? Many employers sponsor matching gift programs and will match any charitable contributions made by their employees. To find out if your company has a matching gift policy, please check with your employer or call your local American Heart Association office. If your company is eligible, follow the matching gift process for your company and we will do the rest. The impact of your gift may be doubled or possibly tripled!
